

## Artist's work on display

KILLYLEAGH artist Deepa Mannkler's new exhibiton, 'New Works', will open tomorrow (Wednesday) in Lisburn City Library, Gallery On 2.

Deepa told the Democrat: "I am really excited by this new show and the direction that my work is going in. I am so happy to be exhibiting in Lisburn City Library, as it means that my work is being taken directly to people. Ten per cent of all proceeds from the sale of her will be donated to Save The Children in NI."
